

OVERVIEW OF THE ELLSWORTH COOPERATIVE CREAMERY

The Ellsworth Cooperative Creamery Association is a group of 460 Midwest farmers who banded together 100 years ago to provide the highest quality cheese products for a competition price.

The Creamery is a highly dedicated group of successful producers who that have shown stable growth over the past 100 years and are now expanding markets for their famous **White Cheddar Cheese curds**. *The famous “squeaky cheese” that everyone loves either fresh or deep fried.*

The product is all natural and rBST free with no color added.

The Ellsworth Cooperative Creamery is big enough to supply you and small enough to provide individual service.
